Tatsujin High Score Contest results! (update):Here's the results from our celebratory Tatsujin High Score Contest!First up, the Tatsujin top 3:11,961,150 men_gunners11,018,270  Mimimi™ 10,409,550 volsNB: Scores obtained outside of the contest period are not counted.

Only two pieces of criticism come to mind right now: 1) I had issues with achievements working properly.. And understand the offbeat, gag-filled story, of course!Jeynus, Selia and the gang can't wait to make their debut in English, so make sure you don't miss them!.. [steampowered.com/app/834040/Game_Tengoku__TATSUJIN/](http://store.steampowered.com/app/834040/Game_Tengoku__TATSUJIN/)https://store.steampowered.com/app/663130/Game_Tengoku_CruisinMix_Special/youtube.com/watch?v=6wF1xNMUVSYThat's just over two weeks away and, as promised we'll be releasing the Special version in place of the standard release; any current owners of either the Steam version or PS4 (EU or US) will receive this as an update on its release!What the special version means is.. The full release and localization finally came out approximately a full year after the games initial release.

ly/2STGoPdMirror >>> <http://bit.ly/2STGoPd>About This GameGame Tengoku CruisinMix Special is an enhanced port of Jaleco's classic 90s vertically scrolling shooting game, mixing cute characters, a game world parodying a wide range of gaming tropes and history, tight controls, refined mechanics and eggplants?! CruisinMix features both the console original and the

exclusive Arcade Mode + in a retro game fan's dream combination.. Clarice updatedThis adds a new support character, and a new music track Several minor fixes.. Prizes: No multiple winners Should one person win multiple prizes, their highest score will be used to award a single prize.. steampowered.com/app/663130/Game_Tengoku_CruisinMix_Special/https://store steampowered.. Overall I've had a lot of fun playing Game Tengoku and I'm glad that CITY CONNECTION decided to bring the game to PC.. Aside from the main arcade mode itself, there are also two time attack stages Classic mode is a port of the original Sega Saturn game complete with English localization.. jpnThanks to everyone who took part and congratulations to all our winners! We'll be contacting the winners today, so please check your Steam friend requests.. To celebrate, we have a weekend sale on Game Tengoku and all its DLC (Voice Mix will be on sale from tomorrow).. steampowered.com/app/745912/Game_Tengoku__Voice_Mix/ DLC update: Homura Banto revealed!:Following up from the Clarice update, we have new info about Homura Banto for you all!There's a remix of the Bases Loaded theme tune to check out on Soundcloud[soundcloud.. I finally caved and bought the game in October 2018 thinking the English version would never come only to have it be released shortly afterwards.. PrizesTATSUJIN scores1stToaplan soundtrack CD (signed) + Jaleco flyer set 1&22nd ~ 3rdJaleco flyer set 1&2Random:Jaleco flyer set 1PrizesNon-TATSUJIN scores1stToaplan soundtrack CD (signed) + Jaleco flyer set 1&22nd ~ 3rdJaleco flyer set 1&2Random:Jaleco flyer set 1Here's a sample of the tracks courtesy of Clarice Disc:https://youtu.. steampowered.com/app/745912/Game_Tengoku__Voice_Mix/ At Last! The release date is here!:We've kept you waiting without news for too long, but we can at last reveal the digital release dates for the international version:November 30th, 2018!https://www.. com/app/745910/Game_Tengoku__Clarice/https://store steampowered.com/app/745911/Game_Tengoku__Homura_Banto/https://store.. There are quite a few characters and most if not all of them come from old Jaleco games.. TATSUJIN DLC release Hi Score Contest + Sale!:TATSUJIN!Shooting fans have likely heard the name before, but have you played Toaplan's influential shooter? Perhaps some of you know it by the name Truxton (trivia: this[en.. It would have been nice if they were a DLC or had a standalone collection The main differences between the characters are the shot type, charge shot, and bomb.. game tengoku cruisinmix special reviewGame Tengoku had quite a strange release when compared to most shmups on Steam.. Details are here:https://steamcommunity.com/gid/103582791460136656/announcements/detail/1734351674790780344https://store.. It didn't come, in fact not only did it not come they released paid DLC instead.. Game Tengoku CruisinMix Special Crack All Type HacksDownload >>> http://bit.. The scoring system consists of chaining eggplant item pickups It's simple but satisfying.. See our privacy policy here https://store steampowered.com/app/834040/Game_Tengoku__TATSUJINhttps://store.. And finally our random winners; one from the Tatsujin scores, the other picked from all other scores during the period:6,672,110 (Tatsujin) Keigo1,232,820 (Miki) objet.. I didn't go too far into the second loop but it seemed like the main feature was suicide bullets.. UPDATE Clarice Bomber illustration contest results!:That's right, the results of the illustration contest we ran in December are in!The first prize, if you recall, was that the winner's illustration would be immortalised in the game as a bomb for the DLC character Clarice (released today!).. Today's update includes:New Time Attack stageStage 2 has been added to Arcade Mode +s Time Attack Mode!Homura Banto DLC addedThis adds a new character, a new support character, a new music track and Moero!! Pro Yakyu to Data Mode HD.. According to the store page it was originally released on November 29, 2017 It released in Japanese with the promise of an English localization soon to come in early 2018.. Only new or updated scores recorded during the contest will be valid, but multiple entries/characters are OK.. Featuring classic Jaleco characters alongside original ones all voiced by a number of popular voice actors & actresses; it was a character-based shoot 'em up that was well ahead of its time!Well-known manga artist Tatsuya Souma provided character designs, there were fully-voiced skits, 4 original songs, and animated sequences too! And all while making other shooting games jealous of how well it pulled off its game mechanics! It managed to be a character centric game without succumbing to any of the cut corners that usually come with such a title.. Special consists of 2x new Clarice bombs, a new, remixed tune for each character in Time Attack (Arcade Mode+), a new Sound Test mode and the English localisation as default.. a09c17d780Title: Game Tengoku CruisinMix SpecialGenre: ActionDeveloper:CITY CONNECTION, Chara-AniPublisher:DegicaRelease Date: 29 Nov, 2017Minimum:OS: Windows 7/8.. wikipedia.org] was the reason behind that title) Either way, this seminal title making a guest appearance in Game Tengoku can only mean one thing: hi-score contest time + celebratory sale!!Brush up on your Tatsujin here![gameparadise2017.. StoryThe self-proclaimed "Super Duper Genius Smart Guy" Yamada has a plan to take over the gaming world; the obvious first step being to take control of all the arcade cabinets at the "You&Me Kamiyoga" arcade in Kamiyoga, Tokyo! But part-time arcade employee Yui Ito is ready to take him on! Determined to put an end to this cunning plot before the arcade opens, she hastily hacks together all the used arcade circuit boards she has lying around and calls upon all the main characters to take down this evil genius!GameplayChoose from 6 ships, each with their own unique weapon system and bomb and take the fight to the deranged Genius Yamada and his game-world spawned minions in multiple action and laughter-packed stages.. RulesDuration: Feb 14th ~ 28th 11am (Japan time Approx 13th 5pm ~ 27th 6pm PST)Options: default settings only (scores only record with default options)Character: Take your pick!*prizes may vary depending on character used.. 1/10Processor: Intel Core i3-2100 3.1GHzMemory: 2 GB RAMGraphics: Nvidia GeForce GT440DirectX: Version 11Storage: 1 GB available spaceSound Card: Realtek High Definition AudioEnglish,Japanese game tengoku cruisinmix special ps4.. It has an arcade mode, a special story

arrange mode, and time attack modes As of writing this I've only played the story mode once, but I thought it was pretty cool. 2) The game does not feature a replay system While the lack of these features isn't ideal I still enjoyed the game enough that I'd definitely recommend this game to shmup fans.. Game Tengoku Ver1.06 update & Homura Banto DLC!:We just released an update adding a new character (Homura from Jaleco's Bases Loaded), some updates to Clarice's DLC and a new stage for Time Attack!Homura will be out tomorrow (3/29 PST), but you can enjoy the other updates now.. With a cast coming straight from Jaleco's back-catalog and stages based around themes such as JRPGs, Japanese arcades and crane games there's never a dull moment.. Game Tengoku's international release is live!:Finally, the long-awaited international version of Game Tengoku is live! Anyone who already owns it will be receiving a patch, and new comers will get the Special version with English included right off Homura's bat.. Personally the only games I knew of were Plus Alpha and City Connection Game Tengoku CruisinMix Special does contain some information about Jaleco's other games, but I really would like to play them.. And don't forget the eggplants!In addition to the Classic console game modes, there's also Arcade Mode+; a refined arcade port with more characters via DLC, and HD Data Mode, with hi-res game flyers, straight from Jaleco's archives!Main FeaturesArcade Mode + features:Normal (6 stages, multiple difficulties & practice mode)Time Attack (Play against the clock for a high score)7 characters, 6 unique ships and more via DLC2 display modes (vertical stretch & dot by dot)Multiple soundtrack & voice typesHD Data Mode: high-res game flyers & info on Jaleco's gamesLeaderboards and achievementsClassic Mode features:Arcade6 stages of straight-laced shooting with 2p co-op1 Time Attack stageVertical display modeArrange8 stages with fully-voiced intermissionsFully voiced opening and ending movies and several songsTime attack with 2 stages and a practice stageHistoryFollowing its popularity in arcades upon its 1995 release, Game Tengoku hit the home console market in 1997.. com]How to participateSimply play Time Attack's Stage 1 at any time during the contest and record a score online.. com/app/745910/Game_Tengoku__Clarice/https://store.steampowered.com/app/745911/Game_Tengoku__Homura_Banto/https://store.. I'm glad they took the time to translate what I would consider to be a fairly obscure game.. Arcade+ which is an arcade mode with online leaderboards where one can also play as DLC characters if they've been purchased. e10c415e6f
